**CONSENT DECREE**

**I. BACKGROUND**

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”), filed a Complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended (“CERCLA”), seeking reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at a site formerly owned by Green Industries, Inc., located at 3603 East Kemper Road in Sharonville, Hamilton County, Ohio (“the Site”).

B. The United States subsequently filed a Third Amended Complaint pursuant to Sections 3304 and 3306 of the Federal Debt Collection Procedures Act (“FDCPA”), 28 U.S.C.

§§ 3304 and 3306, seeking avoidance of an alleged fraudulent transfer from defendant LWG Co., Inc. (“LWG”) to Rule 19 defendant Omni Industrial Properties Inc. (“Omni”).

C. In a July 8, 2004 Order, the Court entered partial summary judgment against LWG, holding LWG jointly and severally liable under CERCLA Section 107 for reimbursement of cleanup costs associated with the Site. LWG owned and operated the Site from 1981 through 1988.

D. In 1988, LWG purchased real property located at 9461 Le Saint Drive, Fairfield, Ohio (the “Fairfield Property”). Omni was incorporated in 1993. LWG transferred the Fairfield Property to Omni in 1994.

E. The Third Amended Complaint alleges that the transfer of the Fairfield Property from LWG to Omni was fraudulent and is avoidable under the FDCPA. The Third Amended Complaint does not allege that Omni is directly liable under CERCLA for costs associated with the Site.

F. LWG filed a Certificate of Dissolution with the State of Ohio in 1999 and does not currently possess any assets.

G. LWG and Omni (collectively, the “Settling Defendants”) do not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the Third Amended Complaint.

H. The United States and the Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331, 1345, and 3304 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over the Settling Defendants. Settling Defendants consent to and shall not challenge entry of this Consent Decree or this Court’s jurisdiction to enter and enforce this Consent Decree.

## **III. PARTIES BOUND**

2. This Consent Decree is binding upon the United States and upon the Settling Defendants and their successors and assigns. Any change in ownership or corporate or other

5. Within 30 days of entry of this Consent Decree, Omni shall pay to EPA \$10,000.

Payment shall be made in accordance with instructions provided to the Settling Defendants by the Financial Litigation Unit of the U.S. Attorney's Office for the Southern District of Ohio following lodging of the Consent Decree. Any payment received by the Department of Justice after 4:00 p.m. Eastern Time shall be credited on the next business day.

8. At the time of payment, Omni shall send notice that payment has been made to EPA and DOJ in accordance with Section XIII (Notices and Submissions) and to:

9. The total amount to be paid pursuant to Paragraph Nos. 5 and 6 shall be deposited in the EPA Hazardous Substance Superfund.

**VII. FAILURE TO COMPLY WITH CONSENT DECREE**

10. Interest on Late Payments. If Omni fails to make any payment under Paragraph Nos. 5 or 6 by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

11. Stipulated Penalty.

a. If any amounts due under Paragraph Nos. 5 or 6 are not paid by the required date, Omni shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 10, \$500 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund." The check, or a letter accompanying the check, shall reference the name and address of the party making payment, the Site name, EPA Region and Site Spill ID Number A508, and DOJ Case Number 90-11-2-06906, and shall be sent to:

U.S. Environmental Protection Agency  
Program Accounting & Analysis Section  
P.O. Box 70753

c. At the time of each payment, Omni shall send notice that payment has been made to EPA and DOJ in accordance with Section XIII (Notices and Submissions) and to:

Comptroller (MF-10J)  
U.S. EPA Region 5  
77 W. Jackson Blvd.  
Chicago, IL 60604-3590

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified the Settling Defendants of the violation or made a demand for payment, but need

only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

12. If the United States brings an action to enforce this Consent Decree, the Settling Defendants shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

13. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of a Settling Defendant's failure to comply with the requirements of this Consent Decree.

14. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse the Settling Defendants from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

#### **VIII. COVENANT NOT TO SUE BY PLAINTIFF**

15. Except as specifically provided in Section IX (Reservation of Rights by United States): (i) the United States covenants not to sue or to take administrative action against LWG pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to the Site; and (ii) the United States covenants not to sue or to take administrative action against the Settling Defendants pursuant to Section 3304 of the FDCPA, 28 U.S.C. § 3304, with regard to the Site or the Fairfield Property. With respect to present and future liability, this covenant shall take effect upon receipt by EPA of all amounts required by Section VI (Payment of Response Costs) and any amount due under Section VII (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. This covenant not to sue extends only to the Settling Defendants and does not extend to any other person.

#### **IX. RESERVATION OF RIGHTS BY UNITED STATES**

16. The United States reserves, and this Consent Decree is without prejudice to, all rights against the Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by United States in Paragraph 15. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against the Settling Defendants with respect to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. criminal liability;

c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;

d. liability, based upon a Settling Defendant's ownership or operation of the Site, or upon a Settling Defendant's transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by the Settling Defendants; and

e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

#### **X. COVENANT NOT TO SUE BY SETTLING DEFENDANTS**

17. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the Site, the Fairfield Property, or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Ohio Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

Except as provided in Paragraph 19 (Waiver of Claims) and Paragraph 23 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 16 (c) - (e), but only to the extent that Settling Defendants' claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

18. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

19. Settling Defendants agree not to assert any CERCLA claims or causes of action that they may have for all matters relating to the Site, including for contribution, against any other person.

## **XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

20. Except as provided in Paragraph 19, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Decree may have under applicable law. Except as provided in Paragraph 19, the Parties expressly reserve any and all rights, defenses, claims, demands, and causes of action which they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

21. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendants are entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person. The “matters addressed” in this Consent Decree do not include those response costs or response actions as to which the United States has reserved its rights under this Consent Decree (except for claims for failure to comply with this Decree), in the event that the United States asserts rights against Settling Defendants coming within the scope of such reservations.

22. Settling Defendants agree that, with respect to any suit or claim for contribution brought against any of them for matters related to this Consent Decree, such Settling Defendant will notify EPA and DOJ in writing within 30 days of service of the complaint or claim upon it. In addition, Settling Defendants shall notify EPA and DOJ within 30 days of service or receipt of any Motion for Summary Judgment, and within 30 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

23. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VIII.

## **XII. RETENTION OF RECORDS**

24. Until ten years after the entry of this Consent Decree, Settling Defendants shall preserve and retain all records now in their possession or control, or which come into their possession or control, that relate in any manner to response actions taken at the Site or the

liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

25. After the conclusion of the document retention period in the preceding paragraph, any Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ, such Settling Defendant shall deliver any such records to EPA. A Settling Defendant may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If any Settling Defendant asserts such a privilege, it shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name and title of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. However, no records created or generated pursuant to the requirements of this or any other settlement with the United States shall be withheld on the grounds that they are privileged.

26. Each Settling Defendant hereby certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or other information relating to its potential liability regarding the Site since notification of potential liability by the United States or the State or the filing of suit against it regarding the Site, and that it has fully complied with any and all requests for information from the United States regarding the Site.

### **XIII. NOTICES AND SUBMISSIONS**

27. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. #### **XVIII. FINAL JUDGMENT**

35. Upon approval and entry of this Consent Decree by the Court, this Consent Decree shall constitute the final judgment between the United States and the Settling Defendants.
